The Coming Campaign—Its Real Issue and the Tactics of the Radicals.

An aristocratic class of States holding by orce powers and rights denied to others; an in rely for the support of a priviled arrivatorratic class of citizens endowed by law tocracy of capitalist. b. Chief of a large army sole ruler of ten States . The May ville Eagle pro ! Un Dem nd a candidate for President of the others; a centric ticket a hearty support. We carp the entry half slave and half free, one half a following from its notice of the Presidential ailitary despotium, the other half a republic; nominees: th master of the subjugated half a candidate for President of the republican half and taking steps to secure his dominion over the whole by votes cast under coercion in his mili tary districts: this is the condition to which Radical policy has reduced the Republic of Washington! One more success will enable them to proclaim an Empire, the object for secretly striving and the point to wich all their masked maneuvers have been

at step in their programme; the skill with which they have made it prepare the way for and render inevitable the next; and the t prize is almost within their grasp, is eno to sicken every man who has discovery the almost the leaders, and notes the of this nature with which the stupor with which they have blinded their less and tools. The man who would have deven at the close of the war to predict derided as the victim of a poi tical hypo | Democratic party on | ul issues was ev | ch sudria y the great mass of those who have been used to bring it about. Though counciof having been led already far beyond th moint to which they started under their present the Eagle, lastend of cone, many of them will still press on, till confiding in their leaders, and still blind of such a a irit, ought to have acknowledged

du lonary hero was then an alien or a serf liberty by the blood of his fathers. But now and Blair. The list alone ura an the year held as outlawe and disfranchised to sumbers exceeding the population which wrested the independence of our country from Great Britain, and the franchises and right-which they inherited from their ancestors have been transferred by arbitrary power to an ignorant and brutil race, born and trained an ignorant and brutal race, born and trained in slav ry, and totally destitute of part in the i ri or a pride in the trad tions of our gov-

But a f w years ago ours was a Republic of co-equal States, protecting citizens in life, 1 b in all the country the north the twid not foll a vote, while luth renal country the respective of the property of rised, d nied the writ of habeas corpus, held martial law. But a few years ago eltizens re-permitted to differ on public question cittle being punished for opinion's sake.

Now, to oppose the Radical policy is to be discovered by the new roll of the same r disloyal" in the eyes of our rulers and to ulways these and ad the the doomed merit deprivation of rights. Thus an arts. dicket in every Pro 11 tial elect is it up occases of States was established. Thus ported Fre cont in 1 50, it du 1890 Mcnich indorsed our rulers were held to be en- 13 for in 1884. We are hope to announ

f nd f t ful to their creators, and also claims

ial favors accorded to no other citizen

wars to maintain this costly away of the

of that party. It has forced blate t

te their obliga lons, and, while domaid

is used by Congress to subvert the sovercignty of the "loyal" States from
which alone it has derived all its authority.

As th "Lyal" States begin to manif t diswitzed through the state of the sta r st of the dominant party in Congress, that The latter star the all and we are

which were made by anthority of the "loyal" dates of the latter, until they, too, become Prof. Goo. W. Rau k. Py for R. wilde sore obsident to the commands of power.
But a f w years back the c tablishment of an aristocratic class of citizens, endowed with exclusive priviling s, would have been considered than brill the file as an edit im nary danger, but it is now a fact as un

firt population of each Northern State, at d to other Stat , it also claims for Radical for the boudhold privileges, immunities and 1 rt of Radical dogmas is made a test (a g wh ver it can be applied the advant to the party. The property of the bondholders emprising a vity late portion of the whole will of the natio, is by Radical law exnted from taxation, while all the other pro

ort, and to pay in gold the exorbitant usury id for the bondholder, juys all other erectors, ponaloner, soldlers and la in irredomnable paper, and has ever The larical ratio of such a policy can not be

a matte of doubt. The necessary complement of the two classes of art tocracy, already in trod cad into our government, is a regime of free, to be inaugurated by an epauletted President, and to culminate in an empire flower er t 1 t and patriotic masses may f 1,

t are powerful e interested in a of t. They believe that by found an perial dyna ly they will be rewarded as the wer if not with patents of nobility Those who "loy ty" has proved to ! a
